

# Bredon, Bredon's Norton and Westmancote Parish Council

December 2015, Issue 31

## Recent burglaries

PCSO Julie Pardoe reported to the Council that over the weekend of the 24<sup>th</sup> and 25<sup>th</sup> October we had four burglaries which all took place in Bredon. Two of the burglaries occurred in Blenheim Drive, one in Vallenders Road and the fourth in Cherry Orchard. It is believed that at least one the burglaries could have occurred as early as 9.30pm on Saturday evening.

The Safer Neighbourhood Team are urging all residents to leave a light on timer when going away from the property during the evening and early morning, making sure the house alarm is functioning properly and set, and securing all windows and doors making sure any keys are removed from the locks. One of PACT's priorities is to reintroduce the neighbourhood watch scheme in the parish.

## Play rangers

The council agreed that the Play Rangers can use the MUGA, with flood lights, on Monday afternoons 4pm—6pm free of charge. Please see the BCPR website <http://www.bredonplays.co.uk/> if you are interested in knowing more about this event.

## District councillor

After a number of complaints regarding noise from residents of Bredons Hardwick, District councillor Adrian Hardman and the Chairman met with Croft Farm who assured them that they would not be holding the 'One Love Festival' in the future.

## Grass cutting contract

The council agreed to offer the contract to Groundworks for a further year as they were very pleased with the service provided. A few extra areas will be included as discussed at the meeting.

## New Homes Bonus - The Dock

The Parish Council have carried out substantial work in the Dock area, resurfacing the car park, rebuilding the retaining walls and installing a new pathway to enable disabled users to access the area. We would like to develop the area further and welcome any suggestions from the Parish as to what they would like to see there.
