

BREDON PARISH COUNCIL OBJECTIVES - AUGUST 2017

In addition to fulfilling all its statutory duties the Objectives of the Parish Council are to use their best endeavours to work towards:

- ensuring sustainable and sympathetic housing development that preserves local character and delivers the homes people need;
- encouraging employment opportunities within the parish encompassing all age groups and a range of skills;
- preventing coalescence between villages by means of Local Gaps;
- protecting open spaces of particular local significance by designating them as Local Green Space, biodiversity, important landscapes and key views;
- promoting activities that help preserve and enhance historic buildings and structures;
- enhancing existing community facilities;
- ensuring people have the best possible access to good healthcare, education, transport and other essential services;
- promoting health, safety and well-being for all ages and abilities within the parish community.
