Residents Letter – Notification of Filming **St Giles Church, Thursday 22nd – Friday 23rd March 2018**

Dear Residents / Businesses of Bredon,

Spot of Tea Productions Ltd are proposing to undergo some filming at St Giles Church and along Church Street in Bredon for a new TV series. We are hoping to film a large, upmarket wedding sequence at the church.

Our proposed dates are as follows:

Thursday 22nd March – day time – prepare the church for filming

Friday 23rd March – day time – shoot [the wedding sequence, involving wedding cars arriving & wedding ceremony] & strike out of church

We are in discussions with the Church Council, Wychavon District Council and Bredon Parish Council to ensure all permissions are met.

In order to facilitate our filming we may require that a large section of Church Street is kept clear from cars in order to dress in our own vehicles for the scene throughout that week. We are hoping to use a traffic management company who will be enforcing a 'STOP, GO' system while we are filming so traffic and pedestrians may be asked to wait for a few minutes at a time throughout the day. We are also looking to park a generator at the top of Church Walk, next to the entrance to the cemetery to power our film lighting.

We fully understand that we are visitors to your neighbourhood and will be making every effort to keep disruption to a minimum. We are making a donation to the Parish Council for them to distribute to local causes.

We will send out additional letters closer to the filming dates once more details of the filming are confirmed. If you have any concerns at all, please don't hesitate to get in touch using the details below.

All the best,

Dan Whitty
