

Bredon, Bredon's Norton and Westmancote Parish Council

May 2018, Issue 55

Money for Worthy Causes

As mentioned in last month's article, The Parish Council has received a £2,000 donation from the Television company for any inconvenience caused by the filming, which took place around St Giles church towards the end of March.

We have decided we would like to offer this money, or a percentage of, to any worthy causes within the Parish. If you, or your organisation, would like a cut of this donation, please contact the Clerk before the end of May with the amount you would like, and the reason you would like it.

New Bus Shelter ordered

We have received lots of positive feedback regarding the 2 new bus shelters, which were installed at the east end of Bredon Village.

This has led to parishioners asking if we could have a similar Bus Shelter, installed at the other end of the village, where the school children wait for their bus, opposite Glebe field.

The Council voted unanimously to support this proposal and a new bus shelter has been ordered.

Village Hall improvements

Hopefully you will have noticed Bredon Village Hall is having a new facelift. The first stage of this, the repainting of the outside, is nearing completion.

The final design of the new front doors and fire exit doors, have been agreed and the new doors have been ordered.

With a new season of weddings, parties and other events ahead, the doors should be in place and the Village Hall should be looking much more attractive.

St. Richard's Hospice visit

We had a visit from Alice Spearing, Community Engagement Officer, who works for St. Richard's Hospice. She gave a brief talk on the excellent services the hospice offers to residents of our Parish. They are extending the hospice, in Worcester, to meet the needs of the community. They offer vital care for our community and are happy to receive donations or to be contacted for further information: **Web:** www.strichards.org.uk **Tel:** 01905 763963 **Email:** enquiries@strichards.org.uk
