

Bredon, Bredon's Norton and Westmancote Parish Council

September 2018, Issue 58

Mitton Bank Update

The current situation is that on 13th June 2018, Highways England requested that Wychavon District Council shall not determine planning permission for the development proposals for a period of 6 months. This is to provide the applicant with sufficient time to address outstanding concerns regarding development traffic impact.

Wychavon now have until 26th October to make a decision on the application.

Applications for 106 monies

The Council is submitting a few applications for 106 monies which needs to be spent before February 2019; additional projects are being researched:-

- Restoration of obelisk and bench near Glebe field
- Restoration of the Glebe field wall and fence
- New fencing with signage on the entrances to playing field
- Restoration of car park adjacent to bowling club

Traffic Calming

This issue is very high on the Parish Council's agenda, and has been talked about in various meetings over the last year or so. There are many various potential solutions, some more effective than others, but the Council is gathering information from various sources. We will consult with the Parish before any major projects are initiated.

We have highlighted some problem areas (i.e. the junction at the end of Cheltenham Road, opposite the Surgery) where there have been multiple accidents. We are also aware that to access most of our services (Village Hall, Surgery, Sports Clubs, Playing Fields) involves crossing the Main Road, which at times is very busy.

Councillor Adrian Hardman is going to arrange a meeting for the Parish Council to meet with the Highways Engineer.

If any Parishioners have experience, or can put the Council in contact with anyone with road design solutions knowledge, please can they contact the Clerk.

Assets of Community Value Survey

A working group is currently investigating assets of community value in our Parish, and will be applying to designate buildings. As part of this exercise there will be a Community Survey sent out in the near future. Your feedback is vital in this process so please take time to complete this survey.

Defibrillators

The Parish Council extended its congratulations to Cllr Kevin Falvey on his successful application for a National Lottery grant of £9,975 towards the Bredon Parish Defibrillator Rollout. Kevin continues to support this project and the council would like to thank him for his hard work and commitment.

Lengthsman

The Parish Council are seeking to appoint a Lengthsman. For further details please contact the Clerk.

Planning Applications

The Parish Council's role is only advisory. For more details, please refer to www.wychavon.gov.uk.

For consideration by Wychavon:

W/18/01415/FUL - The Haven, Chapel Lane, Kinsham. Proposed stables and manège and change of use to equestrian. PC has no objections.

W/18/01206/HP - 12 Queensmead, Bredon. Single and two storey rear extension. PC has no objections.

W/18/00792 - The Milk Barn, Rectory Lane, Bredons Hardwick. Planning approval W/15/00381/PP to change gable roof to gambrel roof to create second storey storage area above workshop. Changes to length and width of the workshop and alteration to windows. PC has no objections.

W/18/01310/HP - The Old Stables, Well Farm, Lower Lane, Kinsham. Conservatory extension. PC has no objections. Subject to approval of Conservation officer.

Date of Next Meeting:

Monthly Meeting

Monday 10th September
takes place in Bredon
Village Hall at 7:15pm
