

Bredon, Bredon's Norton and Westmancote Parish Council

November 2018, Issue 60

Defibrillators

Following the article published in the September edition, where we confirmed that the Parish Council has successfully been granted £9,975 from the National Lottery towards our Defibrillator Rollout, we are now in a position to commence this project.

You may have seen the Defibrillator installed outside Draper's Spar Shop and the one at the Cricket Club. These have been funded by Community donations and our thanks particularly goes to Dippu Kandola, Bredon Community Play and Recreation, S J Booth Electrical, together with the Cricket and Rugby Clubs for their help in getting us to this point. With the Lottery grant, we are now planning defibrillator installations at the following locations:-

Kinsham	- Telephone Kiosk
Lower Westmancote	- Telephone Kiosk
Bredon	- Queensmead Telephone Kiosk
Bredon's Norton	- Outside Village Hall
Bredon's Hardwick	- Outside The Cross Keys Pub

We will be supported in the purchase and installation of these units by the Community Heartbeat Trust. They currently support the defibrillator we have installed at Bredon Village Hall.

We are also looking for further future locations (if funding becomes available), so please send your ideas to the Parish Clerk. We are also planning Training and awareness sessions, so please lookout for future updates.

Further help with fundraising would also be appreciated. We have some ideas, but will always be open to other suggestions / ideas.

Police Report

The team have 2 crimes to report for September; a theft from a vehicle in Dock Lane and another burglary at the Cricket Club. They have no other issues to report at this time, but are reminding people with the nights closing in to please leave a light on.
