Rural Focus Event

Rural crime has an impact that is more than just financial. It can make people feel isolated and unsafe, affecting the wellbeing of individuals and communities.

Our Police and Crime Commissioner, John Campion, is holding an event on Thursday 19th March, 11am - 1pm, at Bredon Village Hall. The Commissioner and representatives from his team, will meet with the public on a one to one basis, to discuss any concerns or issues, about rural crime, so action can be taken.

At this event, there will also be valuable crime prevention tips and advice from specialist Rural and Business Officers and local policing teams, as well as the opportunity to collect a Free Smartwater crime prevention pack, to protect your home or business.

Natural Networks Planting

The Parish Council would like to thank all the amazing volunteers who have helped with various planting over the last few months. Bredon Hancocks School children, including their ECO Club, have scattered wildflower meadow seeds and planted fruit trees in the Glebe Field. The Brownies helped plant lots of native bulbs; and other local volunteers planted trees and hedgerow in the corner of the Playing Field.
