

Bredon and Bredon's Norton Parish Council

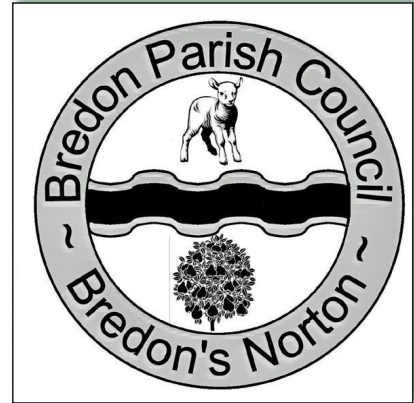

June 2021

Nothing to report this month

Government legislation permitting virtual meetings expired on 6th May 2021. Latest CALC advice was that meetings must be face to face in council operated buildings, following social distancing guidelines, after the 7th May. If Councillors were to attend virtually, they cannot be classed as being present at the meeting and would not be able to speak or vote.

Therefore, we agreed to move the May meeting from the 10th to the 17th as on this day more restrictions are relaxed, e.g. indoors at pubs & restaurants, etc. This meant the meeting was held after the Parish Magazine deadline, and therefore any news, including planning applications, will not appear until July's edition.

We do apologise for this. Please contact the Clerk if you wanted a list of planning applications or for the latest news discussed in May's delayed meeting.
