

Bredon and Bredon's Norton Parish Council

May 2021, Issue 85

Village Hall - Adult Exercise Classes

From the 17th May, as long as government guidelines do not alter, Bredon Village Hall will be welcoming back various exercise classes. These include the regular Yoga, Pilates, Zumba, Tai Chi, Over 60s fitness classes and a couple of new ones - Mini Trampolines and Chi Chi Dance.

The Village Hall will continue to follow social distancing rules, which include a one way system, hand sanitisers, ventilation, and using the biggest room with squares marked out to aid with the social distancing.

Lengthsman - additional hours

In last month's article you met our Lengthsman, Dave, and what an important member of the team he is. He has agreed to take on some extra hours to help keep our parish looking great. These tasks will include:- repairing assets; hedge cutting; and the removal of waste.

Election on Thursday 6th May

The local Councillor and Police and Crime Commissioner elections will take place in Bredon Village Hall as usual, but please follow social distancing rules, wear a facemask and most importantly bring your own pen / pencil.

Bredon Community Care Donation

The Council voted to support this vital charity and donate £419.58 to pay for their liability insurance cover. They would also like to thank all the volunteers who help with transport needs in the community.

Kemerton Nature Reserve

The good news is that the Water's Edge Hide has reopened; please follow social distancing rules with only 1 household to enter the hide at a time. The sad news is there have been a number of incidents of vandalism; please keep an eye out for any unusual behaviour and report to Kemerton Conservation Trust (kemerton.org).

Rewilding Weekend

Thank you to all the volunteers that helped with the first rewilding weekend, which took place in the Glebe field. It was hard work, but we managed to build a hibernacula for creatures to live in, build an impressive bee bank at the rear of the field, and clear an area where we sowed wildflower seeds.

We just need to pray the seeds grow and we can begin weeding. If this initial area proves successful then we will be extending again in the future. Don't worry if you missed out, there will be plenty of opportunities to volunteer your services. We are also planning some tree planting around the parish, and a clear up of the brook in the corner of the playing field.

Planning Applications

The Parish Council's role is only advisory. For more details, please refer to www.wychavon.gov.uk.

For consideration by Wychavon:
