

# Bredon and Bredon's Norton Parish Council

March 2022, Issue 92

## Ashchurch Bridge Judicial Review

An appeal has been agreed with both Northway and Ashchurch Parish Councils. The legal team believes that we have a strong case to appeal the Judicial Review. They believe that the judge should not have looked at the bridge as an isolated case, but should have looked at the bigger picture. Bredon Parish Council will continue to strive, on behalf of its parishioners, to take all reasonable steps to prevent the harms arising from the 'Bridge to Nowhere' application.

## Mitton Bank Update - Traffic Report ignored

A copy of a comprehensive traffic report from an independent expert (Railton) was sent to all parties involved in the planning decisions. National Highways had originally put their own block on the sites development since 2017, but responded to the excellent independent report with comments like "Nothing to see here". We will be writing back to them with many points highlighted, asking them to engage more meaningfully with the serious issues raised. Mitton Bank is the first of many phases of Tewkesbury Garden Town's 10,000 houses to be built. We are also asking our MP, the Right Honourable Harriet Baldwin, to listen to us. Please feel free to write to your MP highlighting your concerns about future development in Mitton Bank.

## Maintenance around the Parish

The Parish Council continues to respond to various queries and feedback from parishioners:-

- Request made to Wychavon to replace the litter bin, outside the old brick bus stop on Cheltenham Road, with a larger one
- Plans are in hand to improve Village Hall Chandler Room Lighting
- Kinsham bus shelter will be fixed with a new roof installed

## New Bredon Village Hall Website

The Village Hall website has recently been refreshed and upgraded. It now has an embedded, online, hall booking system called Hallmaster. Once a user registers they can book any spare time slot at any of the halls. The Hallmaster calendar shows all booked events, and when they are due to happen. This helps any viewer decide if they might like to join an event by contacting the group leader via the contact information on the 'Regular Users' page, which shows all the group contacts with their website links. The new booking system also has the added advantage that anyone wishing to book a future private event can go on the website and book. It then shows as 'Private' on the calendar and if all is ok it is confirmed with an email from our Hall Manager.

Please navigate to our new Web site and have a browse

## Planning Applications

**The Parish Council's role is only advisory. For more details, please refer to [www.wychavon.gov.uk](http://www.wychavon.gov.uk).**

**For consideration by Wychavon:**

**W/21/02992** - The Milk Barn, Rectory Lane, Bredon's Hardwick. Change of use from garage and workshop to 2 home offices and conversion of first floor storage area to guest accommodation. **The Parish Council has no objections subject to the Conservation Officer's suggested amendments.**

**W/22/00260** - 22 The Dell, Bredon. Rear extensions for the replacement of existing rear raised decking area with new garden room. **The Parish Council has no objections.**

## Date of Next Meeting: Monthly Parish Council

*Monday 14th March*

takes place in Bredon Village Hall at 7:15pm

There is also an interesting 'History' page about how the Village Hall and playing fields evolved. You will also see 'Community Art' and the artistic creativity of our locals, including one of our very own parish councillors, Neil Leyden.

Bredon Village Hall

Neil Leyden

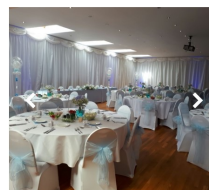

Many of these paintings are on display in the Chandler Hall along with the artists contact details. The quilts provided the wonderful quilt of 12 Bredon activities. This is hanging in the Old Hall permanently. As you can see from this slide show they produce beautiful creations.

Please feel free to pop in and view whenever the halls are not being used. New art is being added regularly.

We invite images from across the local communities artistic spectrum, we know that there are many creations that are tucked away and never shown to anyone. Please feel free to email them to me and I will try to add them here to these community art pages so that everyone can enjoy what you have done. Related stories of your art and methods are also welcome.
