Wychavon Parish Games

The Wychavon Parish Games started in 1978, and the aim of the Games remains the same today: To offer all residents of the Wychavon District the opportunity to participate in active sports and pub games.

The competitive spirit is strongly combined with community spirit; be that through developing relationships within the teams created in a Parish or the local derby atmosphere between teams from near or neighbouring Parishes. There is a strict rule about participants having to reside within the Parish that they represent, as it is the Parish Council that pays the fees to enter the various games.

Please can we ask if anyone wants to be a Parish Organiser or wants to enter a team in any of the 15 events, to make contact with our local Parish Clerk, his contact details are at the bottom of this page.

For further details please check out the website www.wychavongames.org or join the Facebook group, (Wychavon Parish Games - Home), for up to date information and results of events.
