

# Bredon and Bredon's Norton Parish Council

February 2024, Issue 110

## Local Police engagement

We were reminded that the best way to keep up with news about general policing in our area is to sign up to the 'Neighbourhood Matters' scheme:-

<https://www.neighbourhoodmatters.co.uk/>

Recently, those who have signed up received the following updates:-

04/01/2024 - PC Keeler has been on foot patrol around Bredon engaging with the community. Following this they attended Bredon Village Hall, where every 1st and 3rd Thursday of the month the village holds a Warm Welcome community event. The 1st Thursday a meal and the 3rd a coffee morning. Pershore Rural team will drop in on these sessions if you wish to speak with us.

10/01/2024 - PCSO Doughty and PC Keeler conducted high visibility patrols around the rural villages yesterday including Eckington, Bredon, Flyford Flavell, Flyford Grafton, and Whittington. We are patrolling the areas again today and conducting speed monitoring along the rural roads. Although the flood levels have reduced the temperature is due to drop so please be careful driving down the country lanes.

So if you did want to meet in person with PC Keeler then please pop along to one of the Warm Room events (see below)

## Warm Welcome for February

February's Warm Welcome events are as follows:-

- Warm Meal - Thursday 1st February 12-2pm
- Warm Drink - Thursday 15th February 11-1pm

Everyone welcome to join for pleasant company. Transport is available.

## Tewkesbury Garden Town & Mitton Bank

Bredon Parish Council have successfully managed to get a seat on both the Parish Council Liaison Group and the Programme Oversight Board. This will help us gather knowledge and information on Tewkesbury Borough Council's plans for the Garden Town, which has now been renamed Garden Communities:-

## Apologies to Village Hall Users

Due to flooding caused by leaks in the pipes, we would like to apologise for the ladies toilets being Out of Order in Bredon Village Hall. When tracking down where the leak was originating from, we uncovered lots of issues with the old plumbing and are replacing with a new system. Please be patient and take turns using the disabled toilet next door.
